How Did They Change?

How did the coming of the gospel of Jesus Christ change the village of Letcho? Write words or phrases that describe the village the first time Alonzo Bunker visited, before they learned about Jesus; and describe the contrast when he visited the village again years later, after many of the people had come to Christ.

This illustration from the 1800s shows a tall building that was built as a school in one of the Karen villages

| Before they came to Christ | After they came to Christ |
